The Women's Institute for Financial Education (WIFE.org) is the oldest non-profit organization dedicated to providing financial education to women in their quest for financial independence and higher quality of life.

One of the important services WIFE.org offers is the Second Saturday® divorce workshop, which is designed to help people navigate the divorce process without falling into the common major financial, legal and emotional pitfalls. The workshop has been such a highly regarded resource that WIFE.org expanded the program across the nation in 2014 to both men and women, making this valuable information available to everyone.

Support. Information. Hope.

Second Saturday® addresses the legal, financial, family and personal issues of divorce in a logical, yet compassionate way. With the guidance of trained professionals, workshop participants gain greater understanding of the confusing and challenging divorce process.

We believe the more information and support you have, the better the decisions you'll make for yourself and your children, and the more hopeful you can be about the future.

Our mission is to provide education, support and guidance in this life transition, helping you move confidently toward independence.

We hope you will tell your friends, family, acquaintances, and colleagues about this important resource.

The Second Saturday® workshop is educational in nature. Neither WIFE.org, nor your Second Saturday® Broward presenters, are providing financial, investment, tax, accounting or legal advice in this educational forum.
